Determination and Findings

Authority to Exclude a Source

On the basis of following findings and determination, which I make under the authority of 10 U.S.C. 2304(b)(1) as implemented by FAR 6.202, the proposed contract action described below may be awarded using full and open competition after exclusion of ____ (1).

FINDINGS

1. It is proposed that the following requirement be acquired using full and open com-

petition after exclusion of the source identified above.

2. The source identified above can be expected to receive an award for this requirement unless excluded.

3. It is necessary to establish or maintain an alternative source or sources.

4. The exclusion of this source will increase or maintain competition and is likely to result in reduction of ____ (2) in overall costs for any anticipated acquisition of the supplies or services being acquired. This estimate is based on ____ (3).

(See Note 4 for the use of Alternates I and II below.)

Alternate I: The exclusion of this source will serve the national defense interest by having an alternative supplier available for furnishing the supplies or services being acquired, in case of a national emergency or industrial mobilization, because ____ (5).

Alternate II: The exclusion of this source will serve the national defense interest by establishing or maintaining an essential engineering, research, or development capability of an educational or other nonprofit institution or a federally funded research and development center, because ____ (5).

DETERMINATION

The exclusion of the source identified above will increase or maintain competition and is likely to result in reduced overall costs for any anticipated acquisition of the supplies or services being acquired.

(See Note 4 for the use of Alternates I and II below.)

Alternate I: It is in the interest of the national defense to exclude the source identified above in order to have an alternative supplier available for furnishing the supplies or services being acquired, in case of a national emergency or industrial mobilization.

Alternate II: It is in the interest of national defense to exclude the source identified above in order to establish or maintain an essential engineering, research, or development capability to be provided by an educational or other nonprofit institution or a federally funded research and development center.
